

**Dave Byng,
DEPUTY MINISTER**

**Keith Godin, [Acting] ADM
GOVERNANCE and ANALYTICS**

Keith Godin will oversee the refreshed *Knowledge Management Division* retitled *Governance and Analytics* that will provide oversight of sector-wide program forecasting, evaluation and monitoring as well as a new centralized policy function. As the Ministry shifts from an observe and report culture to becoming knowledgeable owners of the education sector, this new model will support greater capacity with data driven decision making – ultimately supporting better student outcomes.

- Analysis, Reporting & Data Access
- Legislation, Policy & Governance
- Modeling & Evaluation

**Ramona Soares, ADM
INT. EDUCATION, IND. SCHOOLS
and PARTNER RELATIONS**

Partner Relations, overseen by Ramona Soares, will continue to provide strategic partner relations across the education sector as well as responsibility of the Teacher Regulation Branch. In addition, the Division will now include *Independent Schools, International Education and Home Schooling*. The division is being retitled to *International Education /Independent Schools and Partner Relations*.

- Partner & Intergovernmental Relations
- Teacher Regulation Branch
- Libraries
- Independent Schools
- International Education

**Jennifer McCrea, ADM
LEARNING DIVISION**

Under the leadership of Jennifer McCrea, the Ministry will continue to enhance program and service delivery in Aboriginal education, special needs education, French education, healthy and safe schools as well as key government priorities such as student pathways to careers. Operational aspects of Curriculum, Assessment, Graduation, Reporting will remain with the Learning Division.

- Aboriginal Education
- Wellness and Safety
- French Education
- Inclusive Education
- Early Learning & Adult Education
- Innovation
- Careers & Technology

**Jill Kot, ADM
LEARNING MODERNIZATION
PROJECT**

The Ministry is leading the single biggest project ever to modernize BC's curriculum, assessment and reporting from kindergarten through grade 12.

- Learning Modernization Project
- Curriculum, Assessment, Graduation, Reporting
(upon project completion will return to base position with the Learning Division).

**Shanna Mason, ADM
CAPITAL**

Shanna Mason will continue to lead the *Capital Division*, bringing greater project leadership to the work including projects that are on time and on budget. Appropriate resourcing will be established to ensure the sector is working with clear, quality standards and we are achieving less slippage.

- Capital Planning and Funding
- Capital Delivery
- Land Disposal
- Construction and Preservation Standard and Specifications

**George Farkas, ADM
RESOURCE MANAGEMENT
and CORPORATE SERVICES**

Under the guidance of George Farkas, the *Resource Management Division* will now include a *Corporate Services* function providing finance, HR, corporate planning, service delivery, and correspondence support to the Ministry.

- Ministry Correspondence Office
- Service Planning
- Funding & Allocation
- School District Financial Reporting
- People & Work Place Initiatives
- Service Delivery

**Jill Kot, ADM
SERVICES and TECHNOLOGY**

Jill Kot will continue to oversee the *Services and Technology Division* providing oversight of technology for the sector. In addition a *Project Office* is being established to provide greater project management support and expertise to the broader sector.

- Information Technology
- Student Certification
- Open School BC
- Strategic Technology Initiatives
- Project Office

**CHIEF EDUCATION
OFFICER**

We will introduce a *Chief Education Officer* to provide leadership and expertise across the Sector.
